En Primeur Conditions

The prices offered are per bottle with a minimum purchase quantity of one case. A case may constitute 6 or 12 bottles depending on the offer. If you are not sure please enquire.

Saveurs endeavours to secure as much allocation as is available in the interest of supplying all orders. However this is not always possible to achieve and in this case we will allocate across the orders based on past purchase history, order size and availability.

After placing your order we will confirm your allocation within 2 working days and you will be invoiced at this time. Payment is required within 7 working days. After this time stocks may be re-allocated to other orders.

The Hong Kong Dollar price will be adjusted each day at 10:30am and will stay at this rate for 24 hours. All orders received during this period will be invoiced at this price, subject to availability. If payment is not received within 7 days Saveurs International (Asia) limited reserves the right to re invoice at the exchange rate of the payment date.

All prices quoted either in Euro or in Hong Kong Dollars are exclusive of logistics and insurance which will be payable at the time of delivery. Delivery is expected during 2013.
